Voices United – Grateful Reflections

Throughout this newsletter, you'll hear directly from parents, entrepreneurs, homeowners, and community members whose lives have been touched by CSLC programs. Their words remind us that every workshop, loan, repair, literacy pop-up, school supplies distribution, and food pantry distribution is more than a service; it's a story of resilience, hope, and transformation.

Together, these voices form the chorus of CSLC's mission: to break cycles of poverty, expand opportunity, and build stronger communities across Holmes County and beyond. With renewed support and continued collaboration, we can ensure that even more families experience these life-changing improvements.

From the Books & Bonding Family Literacy Pop-Up Series made possible by the Community Foundation of Mississippi, to the Christmas Food Pantry partnership supported by generous donors, every gift strengthens our ability to serve.

Thank you for standing with us, listening to these voices, and helping us carry their stories forward.

CSLC HIPPY proudly promotes school-ready scholars

On May 3, 2025, CSLC proudly hosted its 14th annual HIPPY (Home Instruction for Parents of Preschool Youngsters) graduation. The theme, "My Five Senses," was beautifully highlighted by guest speaker Ms. Zenobia Cockrell, librarian at William Dean Elementary School. This year's program guide was Mrs. Sherri Reeves. CSLC extends heartfelt thanks to both of these ladies for their outstanding contributions.

We also send a special thanks to BankPlus for their continued support each year, which makes this program possible! This year's graduating class included 10 HIPPY students. (*Two are not pictured above.*) The program was truly inspiring. Children sang songs, recited rhymes and fingerplays, performed poems, and presented their parents with crimson roses. Each student received a lovely basket filled with educational materials, with additional baskets thoughtfully prepared by Ms. Cockrell.

"Seeing my child sing, recite poems, grow academically, and present roses at graduation was unforgettable. CSLC gave us memories and tools that will last a lifetime." — Porche Frizell Dixon

CSLC is thankful for the success of the T.I.M.E. Violence Reduction Program

The Community Students Learning Center would like to thank the Holmes County School District as well as all stakeholders in Holmes County. Although we expected great outcomes, the Transforming and Investing in Mississippi Education Act (T.I.M.E.) Violence Reduction Program (VRP) exceeded our expectations. According to the data collected, the implementation of this grant was very successful, and it was one of the best opportunities to transform our schools and community we have had. Using Mind Matters and Positive Action curricula, the goal was to reduce youth violence through social-emotional learning (SEL) and resilience-building among K-12 students. We served approximately 1600 students across the school district and look forward to continuing this upward trend.

This generous gift ensures that families across our community will have access to essential food during the holiday season.

Together, we are making sure no one is left behind during this time of giving.

The Community Students Learning Center (CSLC) is honored to announce that we have received a \$5,000 grant from the Community Foundation for Mississippi (CFM) to launch the Books & Bonding Family Literacy Pop-Up Series.
